TO THE UNIT OWNERS OF
DAG HAMMARSKJOLD TOWER CONDOMINIUM

RE: Storage Availability

Ladies & Gentlemen,

As we have communicated in previous letters the Board of Managers have created storage spaces in the laundry room. These new storage spaces are being offered to all unit owners at this time. We understand that there has been some interest to date. There are nine (9) spaces available and each space will be leased.   We are aiming to lease all units no later than ***March 22, 2024***.

The units are as follows:

BIN NUMBER	MONTHLY RENT
71	$400
72	$250
73	$525
74	$525
75	$250
76	$625
77	$230
78	$230
79	$190

The storage spaces are located in and outside of the laundry room in the basement. Please make arrangements with the resident manager, Tony Radoina, 212 486 2539 to view the spaces.   Kindly note there will be a lottery among those who respond by the deadline if there is more than one unit owner who is interested in the same space.

The Board of Managers wish to accommodate all interested unit owners. In order to do so these spaces may be leased for a minimum of one year. Kindly note, as it pertains to these units, only one unit may be leased by a unit owner. As such, if another unit is currently leased that space will have to be relinquished.

Please send your replies to the undersigned by March 13th, 5 PM via EMAIL. Your reply should identify the storage space # (s) for which you are interested in.

Please contact the undersigned with any questions you may have.

Very truly yours,

Kaswaree Narine Cleary
